The goal of SCDRO is to serve as many citizens as possible. SCDRO intends to repair or replace approximately 1,350 homes affected by Hurricane Matthew. The program is designed to assist Low to Moderate income households and serve South Carolina's most vulnerable population. The highest priority is given to households with documented damage, households with persons who are 65 years old or older, persons with documented disabilities, or households with children five years old or younger.

SCDRO protects the personal information of citizens and will release only the county and zip code for households served by the program.
